1. Should NTT faculty be intentionally integrated into membership on all other Senate committees? If so, how should that happen?
2. Should Faculty Senate establish a separate, permanent committee dedicated to examination of NTT interests and issues? If so, what implications and opportunities follow?
3. How can current interests for NTT faculty be advanced now, without further delay?
4. How do NTT faculty issues get woven into the strategic plan and other institutional/structural changes (if any)?
